Long-Lasting Spray Grease for Moving and Loaded Parts

Long-lasting lubrication and protection for moving parts and mechanisms. High-performance grease for moving and loaded components that reduces wear and seizure caused by oxidation and friction. Water repellent and stable under temperature changes and stress. 360° spray.

KEY ADVANTAGES

- Long-lasting lubrication of moving and loaded parts
- Reduces wear and seizing from oxidation and friction
- Repels water and stays stable under temperature changes
- Range from -18 to +145 °C and high pressure, as stated on the label
- 360° spray
